

Covid-19 Relief Request Form – Cares Act

Syracuse City has access to federal Cares Act Funds and would like to offer assistance to our businesses impacted by Covid-19 through providing personal protective equipment (PPE) and free access to advertising in our newsletter. The West Davis Chamber of Commerce has offered to assist the city in reaching out to businesses to assess needs and distribute the materials. Also, business loans are available through the Davis County Economic Development Department by calling 801-451-3256. Please fill out the following form:
